

## ELIZABETH MCGHEE SCHOLARSHIP AWARD

Elizabeth McGhee earned a black belt with AMAA in **2008**. She joined karate because she wanted to share that experience with her kids. She is a mother of 9, 7 of which trained here, with us, at AMAA. Four of those earned black belts. She researched many karate clubs before selecting the comforts of AMAA. She wanted a place that she could learn and grow with her kids. She wanted one that resembled more of a family rather than a typical Karate club. She found that with us. But she was more than a black belt mom. She was a wife, businesswoman, Oil Tycoon, Pilot, Missionary and so much more. She was a Veterinarian who used her time and talents for others. One of her passions was the 4H fair, where she spent many hours every year. Her children were interested in aviation. To help them, she learned to fly too. Eventually, she bought her own plane because it was cheaper than renting. She used these gifts to travel around the world on Medical Mission trips to help others. In November of 2015, Elizabeth McGhee died when her plane crashed.

**In honor of Mrs. McGhee**

**The Lake Orion AMAA Karate Club will award one scholarship in her name covering the registration fee for one semester of karate.**
